**CAUTTRELL ENTERPRISES SELECTS MISSOURI ENTERPRISE TO PROVIDE
CONTINUOUS IMPROVEMENT PROGRAM**

St. Louis, Missouri, November 15, 2006 – Cauttrell Enterprises, a leading provider of steel products for the commercial, residential and industrial markets through its Cardinal Steel Supply, Custom Steel Fabrication and Fenster Steel and CEI Specialty Products Divisions, has selected Missouri Enterprise to provide a continuous manufacturing process improvement program at its North Broadway and McKissock facilities.

The project will include both employee training and hands-on implementation assistance.
