**HY-C, INC., SELECTS MISSOURI ENTERPRISE TO PROVIDE  
CONTINUOUS IMPROVEMENT PROGRAM**

St. Louis, Missouri, March 23, 2006 – HY-C, Inc., a leading manufacturer of fireplace and chimney equipment has selected Missouri Enterprise to provide a continuous manufacturing process improvement program for employees at its 14<sup>th</sup> Street facility.

The project will include both employee training and hands-on implementation assistance.

Missouri Enterprise Project Manager Dewayne Whitener will supervise the project.
