**SEALTITE CORPORATION LAUNCHES PROJECT
TO ACHIEVE AS9100 CERTIFICATION**

St. Louis, Missouri, August 24, 2007 – Sealtite Corporation, a leading national manufacturer of gaskets and other sealing devices for a wide range of industries, has selected Missouri Enterprise to assist the company efforts to achieve AS9100 Quality Management System Certification, the most current quality management system certification for the aerospace industry.

To earn AS9100 certification, Sealtite, founded in 1946, will have to meet a set of comprehensive quality system requirements and pass an audit by an independent, third party firm.
