**GROSSMAN IRON & STEEL COMPANY SELECTS MISSOURI ENTERPRISE
FOR CONTINUOUS IMPROVEMENT PROGRAM**

St. Louis, Missouri, July 31, 2006 – Grossman Iron & Steel Company has selected Missouri Enterprise to provide a continuous manufacturing improvement program at the company’s North Market Street facility. The project will include both employee training and continuous improvement implementation support.

Founded in 1920, Grossman Iron & Steel Company is one of the Midwest’s leading buyers and processors of both ferrous and non-ferrous metals.
