Missouri Enterprise Service Provider Program

Acceptance as a Missouri Enterprise Service Provider is not a guarantee of future contracts for services.

At the end of all engagements with Missouri Enterprise a Service Provider Evaluation will be completed and retained. Unsatisfactory performance will result in a discontinuation of services.

Service Providers will be aware of the following quality policy and quality objectives. Your contribution to the effectiveness of the QMS, and the resulting implications of not conforming with the requirements of the QMS as part of any contract signed with Missouri Enterprise, will have an effect on future contracts.

The Missouri Enterprise management team has adopted the following Quality Policy to summarize their objectives in serving our customers and developing the QMS. All service providers are expected to review this policy and objectives to

Quality Policy = E3+CI

In our quest to help Missouri businesses succeed, we establish, execute, evaluate, and continuously improve high standards of quality in our staff, services, and management system.

Quality Objectives

Missouri Enterprise management has adopted the following objectives to determine the effectiveness of the QMS to meet the needs and expectations of the customer.

- Professional delivery of the services outlined in their customer contracts in a timely manner
- Maintaining a high level of customer satisfaction as determined by results from their Customer Satisfaction Evaluations (CSE)
- Maintaining a high level of investment return and financial impact for their customers as reported on the final CVI report
- Maintaining a high level of market penetration within the state of Missouri to ensure that we reach as many business partners as possible to maximize our impact on the state's economy.
